### Programs:

**Read with MCFL** is our adult literacy program. This is our 30<sup>th</sup> year offering adult literacy services. We are a learner-centered, confidential, free program, and rely on our corps of volunteers to provide services. MCFL has 17 branches, and we host tutoring at 6 of them. Currently, we have 110 volunteer tutors working with 116 adults (some tutors help more than one person). We are always recruiting volunteers, as we have over 75 adults waiting for a tutor.

We also provide **Speak Up! Conversation Groups** in many of our larger branches. The Groups meet one hour a week, and are facilitated by a volunteer. As you probably know, many English language learners in our country have no one to practice their English with. This is a chance to take their English skills out for a spin in a supportive environment.

Some branches also provide computer skills training and citizenship preparation.

MCFL is always seeking volunteers to tutor adults in English or lead English conversation groups!

**MCFL Programs and Services have been impacted, please email [hoeffels@co.monterey.ca.us](mailto:hoeffels@co.monterey.ca.us) for more information**
